Home Support Options

At Independent Health Care Service (IHCS) we aim to provide the highest quality support in your own home, in a safe and considerate manner.

IHCS offer a range of services under a variety of different funded programs, as well as options for people wanting to choose their own private service or obtain services via a brokered arrangement with another provider.

IHCS can individually tailor assistance to meet your needs, based on your choice of service.

Your Service, Your Choice.

HOME HELP

IHCS support staff are available to assist you with a range of household tasks that you may find difficult to complete yourself. These tasks may include vacuuming, washing, ironing and general cleaning—whatever it is that you require.

HOME CARE ASSISTANTS

IHCS employ a diverse range of staff who can assist you with activities of your choice—this could be personal care activities, through to assistance to social functions or to attend to your shopping with support.

RESPIRE

Our Home Care Assistants can also provide you or your carers with respite in your home, including overnight respite.

VETERANS HOME CARE

Our Veterans Home Care (VHC) Program offers eligible persons the following services:

- Domestic Assistance
- Limited personal care services
- Home and Garden Maintenance
- In-Home Respite

Referral to Independent Health Care Service's VHC program, is through the VHC Assessment Agency who can be contacted on 1300 550 450.

HANDYMAN SERVICES

Home and garden maintenance is available through IHCS. This service can be accessed by all members of the community—including private purchase arrangements, packaged care clients, other service providers (through brokered arrangements), VHC clients, and Support Service clients. Fees will apply, depending on the purchasing arrangement.
