

Public Health Act 1997

DIRECTION UNDER SECTION 16

(Vaccination requirements for Certain Workers – No. 11)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that –

- (a) on and from 17 September 2021, a person is not permitted to enter, or remain on, the premises of a residential aged care facility unless the person is sufficiently vaccinated against the disease as specified in paragraph (h) if the person –
 - (i) is employed, or engaged, by or on behalf of the residential aged care facility, regardless of whether consideration is paid or payable for the employment or engagement; or
 - (ii) is undertaking a clinical placement, or work experience, at the residential aged care facility; or
 - (iii) is employed, or engaged, by or on behalf of the residential aged care facility, to provide services, other than maintenance services, in respect of the residential aged care facility or one or more residents of the residential aged care facility, regardless of whether consideration is paid or payable for the employment or engagement; and
- (b) on and from 17 September 2021, a person is not permitted to enter, or remain on, the premises of a quarantine site unless the person is sufficiently vaccinated against the disease as specified in paragraph (h) if the person –
 - (i) is employed, or engaged, by or on behalf of the quarantine site, regardless of whether consideration is paid or payable for the employment or engagement, other than persons who are only present on the site for as long as is necessary to deliver goods to, or collect goods from, the site; or

- (ii) is employed, or engaged, to provide services in respect of the quarantine site, or persons residing at the quarantine site, regardless of whether consideration is paid or payable for the employment or engagement, other than persons who are only present on the site for as long as is necessary to deliver goods to, or collect goods from, the site; and
- (c) on and from 17 September 2021, a person is not permitted to provide quarantine transport services unless the person is sufficiently vaccinated against the disease as specified in paragraph (h) if the person is employed, or engaged, by the Tasmanian Government, to transport affected travellers or other persons directed to isolate or quarantine in respect of the disease –
 - (i) from the location of the affected traveller's arrival into Tasmania, or the other persons location within Tasmania, to a quarantine site; or
 - (ii) from one quarantine site to another quarantine site; or
 - (iii) from a quarantine site to another location, as directed –
 - (A) by the Director of Public Health, or his or her delegate; or
 - (B) under the *Emergency Management Act 2006*; or
 - (iv) from a quarantine site to another location from where the affected traveller intends to leave Tasmania; and
- (d) on and from 31 October 2021, a person is not permitted to enter, or remain on, the premises of a medical or health facility, unless the person is sufficiently vaccinated against the disease as specified in paragraph (h) if –
 - (i) where health and medical services or treatments are provided at the medical or health facility, the person is –
 - (A) employed or engaged by or on behalf of the medical or health facility, regardless of whether consideration is paid or payable for the employment or engagement; or
 - (B) employed or engaged to provide health and medical services or treatments at a medical or health facility, regardless of whether

- consideration is paid or payable for the employment or engagement; or
- (C) employed or engaged by, or on behalf of, the Department of Health, regardless of whether consideration is paid, or payable, for the employment or engagement; or
- (D) undertaking a clinical placement, or work experience, at the medical or health facility; and
- (ii) where health and medical services or treatments are not provided at the medical or health facility, the person is employed or engaged by, or employed or engaged to work on behalf of, the Department of Health, regardless of whether consideration is paid or payable for the employment or engagement; and
- (iii) the person is entering the premises for the purposes of –
 - (A) that employment or engagement; or
 - (B) that placement or work experience; and
- (e) on and from 31 October 2021 –
 - (i) a person is not permitted to provide health and medical services or treatments unless the person is sufficiently vaccinated against the disease as specified in paragraph (h); and
 - (ii) each State Service employee or State Service officer, within the meaning of the *Acts Interpretation Act 1931* must be sufficiently vaccinated against the disease, as specified in paragraph (h), if the person –
 - (A) is, as a State Service employee or State Service officer, working for or on behalf of the Department of Health; and
 - (B) is providing services or goods, for that Department, as part of his or her employment as a State Service employee or State Service officer; and
- (f) on and from 21 November 2021, a person, who is employed or engaged to provide high intensity supports to an NDIS participant, must not provide those supports to such a participant unless the person is sufficiently vaccinated against the disease as specified in paragraph (h); and

- (g) on and from 30 November 2021, an in-home care provider is not permitted to provide in-home and community aged care services unless the in-home care provider is sufficiently vaccinated against the disease as specified in paragraph (h); and
- (h) for the purposes of paragraphs (a), (b), (c), (d), (e), (f) and (g), a person is sufficiently vaccinated against the disease if –
 - (i) the person has received all of the doses of a vaccine for the disease that is necessary for the person to be issued with –
 - (A) a vaccination certificate in respect of the disease issued by the Australian Immunisation Register, operated by or on behalf of the Commonwealth Government; or
 - (B) an equivalent document from a jurisdiction outside of Australia that is recognised by the Commonwealth Government or the Director of Public Health; or
 - (ii) subject to paragraph (i), the person –
 - (A) has received at least one dose of a vaccine for the disease; and
 - (B) has made a booking to receive, as soon as is reasonably possible, all other required doses of the vaccine that are necessary for the person to be issued with a document referred to in subparagraph (i) in respect of the disease; and
 - (C) as soon as practicable after being issued with a document referred to in subparagraph (i) in respect of the disease, has provided the document to his or her relevant supervisor as required under paragraph (m); or
 - (iii) subject to paragraph (i), the person –
 - (A) has made a booking to receive the first dose of a vaccine for the disease as soon as is reasonably possible; and
 - (B) provides evidence of the booking to the relevant supervisor of the person; and
 - (C) as soon as is reasonably possible, receives all of the doses of a vaccine for the disease that are necessary for the person to

be issued with a document referred to in subparagraph (i) in respect of the disease; and

- (D) as soon as practicable after being issued with a document referred to in subparagraph (i) in respect of the disease, has provided the document to his or her relevant supervisor as required under paragraph (m); and

- (i) for the purposes of this direction, a person to whom paragraph (a), (b), (c), (d), (e), (f) or (g) applies is not sufficiently vaccinated against the disease if the person has not received all of the doses of a vaccine for the disease that is necessary for the person to be issued with a document referred to in paragraph (h)(i), before 8 January 2022; and

- (j) a person to whom paragraph (a), (b), (c), (d), (e), (f) or (g) applies is not required to be sufficiently vaccinated against the disease if –

- (i) the person –

- (A) is unable to be vaccinated against the disease due to a medical contraindication; and

- (B) holds –

- (I) a document, in a form approved by the Director of Public Health or his or her delegate, by a medical practitioner, within the meaning of the *Acts Interpretation Act 1931*, that certifies that the person has a medical contraindication that prevents the person from being vaccinated; or

- (II) a medical exemption, that applies to the vaccinations for the disease, that is recorded in respect of the person on the Australian Immunisation Register, operated by or on behalf of the Commonwealth Government; and

- (C) provides a copy of the document, or exemption, referred to in sub-subparagraph (B) to the relevant supervisor for the person; or

- (ii) the person –

- (A) is ineligible, due to the person's age, to be vaccinated against the disease until a later phase of the vaccination program recognised by the Director of Public Health or his or her delegate; and
 - (B) provides his or her relevant supervisor with evidence as to the age of the person; or
 - (iii) the person –
 - (A) holds an exemption or is a member of a class of persons specified in an exemption, from the requirement to be sufficiently vaccinated; and
 - (B) provides a legible copy of the exemption to his or her relevant supervisor; or
 - (iv) the person is an emergency management worker, within the meaning of the *Emergency Management Act 2006*, who is only present on the premises of the relevant location for the purpose of responding to an emergency within the meaning of that Act; and
- (k) an exemption referred to in paragraph (j)(iii) –
- (i) may only be given by the Director of Public Health, or his or her delegate, if the Director, or delegate, is satisfied that the exemption is necessary for the protection of the health and well-being of persons; and
 - (ii) may be subject to such conditions that the Director of Public Health, or his or her delegate, considers appropriate in the circumstances; and
- (l) a person to whom paragraph (d) or (e) applies is not required to be sufficiently vaccinated against the disease if the paragraph only applies to the person due to the person –
- (i) providing health and medical services or treatments, in an emergency circumstance, other than as part of his or her employment or engagement; or

- (ii) being engaged to provide services at a medical or health facility, other than health and medical services or treatments, in response to an emergency at the facility; and
- (m) a person to whom paragraph (a), (b), (c), (d), (e), (f) or (g) applies, other than a person to whom paragraph (j) or (l) applies, must provide one or more of the following documents to his or her relevant supervisor:
 - (i) a copy, or evidence, of his or her Immunisation History Statement from the Australian Immunisation Register, operated by or on behalf of the Commonwealth Government;
 - (ii) electronic evidence, that the person has been immunised in respect of the disease, that has been issued by or on behalf of the Commonwealth Government or the Tasmanian Government;
 - (iii) an equivalent document, or electronic evidence, from a jurisdiction outside of Australia that is recognised by the Commonwealth Government or the Director of Public Health; and
- (n) a person to whom paragraph (j)(i), (ii) or (iii), or paragraph (l), applies must wear a fitted face covering while he or she is present on the premises of the relevant location for the person; and
