## Descriptions

### NDIS Participants - Plan Managed

Different fees apply to Plan Managed NDIS Participants. IHCS applies fees consistent with the NDIS Pricing Arrangements and Price Limits as amended from time to time. Current pricing arrangements can be accessed at: <https://www.ndis.gov.au/providers/pricing-arrangements>

### Sleepover

A sleepover is a 12 hour shift that includes 4 hours of active service and an 8 hour sleep period. If the Home Care Assistant is required to attend to the client's needs for greater than one hour during the sleep period then an additional disturbance fee of \$85.00 per hour (\$100.00 on Public Holidays) will be applied.

### Community Nursing Visits

A **standard** visit may take up to 25 minutes in duration. Most nursing procedures can be completed in this period of time. A **long** visit may take up to 45 minutes to complete. Visits that exceed 45 minutes are provided at the hourly rates listed. Outside of normal business hours, penalty rates apply for visits and short notice requests for nurses may incur a minimal fee of 4 hours at the relevant hourly rate. IHCS will advise you if this is the case prior to confirming the requested service.

### Cancellation Policy

IHCS would appreciate 24 hours' notice of a cancellation, however, where this is not possible cancellations may be made up until 4pm the day prior without incurring a cancellation fee.

Cancellations following this time will be charged at full cost. Cancellation fees may be waived in exceptional circumstances.
